

SAFETY SERVICES SNAP SHOT

Bag Checks

Your safety is our priority. As part of our enhanced safety protocols, bag checks will be conducted at designated points to mitigate any potential risks.

Metal Detector

Extending our safety measures to our main guest and employee entrances, we've implemented a sophisticated weapons detection system to safeguard the well-being of us and all our visitors.

Controlled Building Access

Tightening our security measures with controlled access points, we're ensuring that only authorized personnel enter our facilities.

Security Cameras

Keeping a vigilant eye on every corner, our state-of-the-art security camera system monitors activity round the clock, providing an additional layer of protection.
